

Furhat Virtual Assistance Memorization Test (friendly)

This form is designed to assess participants' memory of words and phrases following their interaction with the friendly version of the LingAI teaching robot. Test participants have to be informed about the study and have read the consent form and agreed to it.

Please do your best to answer each question and avoid any distractions during the test. You have 5 minutes to complete it. You can submit your answers whenever you are finished. You may begin now.
